## CLASSIC 360

PENDANT LIGHT FITTING WITH  
CORD SET AND CEILING CUP

The Classic, based an archetypal curved shape, is the first light designed and produced for the minima lighting range. This set the idea for the exposed elements, emphasised by the reflection of light off the inner surfaces of the ply, which clearly reveal the entirety of the structure from any vantage point. Rather the shade light in the traditional sense, the light fitting instead becomes a well lit sculptural piece.
