CONE 180

PENDANT LIGHT FITTING WITH
CORD SET AND CEILING CUP

The smallest of the minima range, the gentle curves of the Cone 180 give it a subtle sculptural presence in any interior space. Framed around the inherent structural qualities of wood, each piece of the light is designed to clip together using only opposing forces of tension and compression. The Cone 180 is ideally suited to being hung in groups of 3 or more, typically above a counter or table.
