## CONE 510

PENDANT LIGHT FITTING WITH  
CORD SET AND CEILING CUP

Ideally suited to being fitted in a voluminous space, the elegant and gentle curves of the minima Cone 510 give a sculptural presence to the space above. Framed around the inherent structural qualities of wood, each piece of the light is designed to clip together using only opposing forces of tension and compression.

Design:  
Jacques Cronje  
2013
