COUPE

PENDANT LIGHT FITTING WITH
CORD SET AND CEILING CUP

The delicately fine curving lines of the minima Coupe, starting with a gently cut curves at the top with the ribs flaring out to an open flat bottom, brings sense of gentle calmness to a space. The Coupe, as similarly styled, works well alongside or in a group with the Flute. It also holds it own as a sculptural piece, particularly suspended low above a table, or hung in a group in larger spaces.
